C. DOCUMENTS CONSIDERED TO BE RELEVANT  Category * Citation of document, with indication, where appropriate, of the relevant passages Relevant to claim No.  X US 6,267,744 B1 (ROBERTS et al.) 31 July 2001 (31.07.2001), abstract, figures, column 1, lines 55-65, column 2, lines 10-65, column 3.  * Special categories of cited documents:	Documentation searched other than minimum documentation to the extent that such documents are included in the fields searched			
Category * Citation of document, with indication, where appropriate, of the relevant passages  X US 6,267,744 Bt (ROBERTS et al.) 31 July 2001 (31.07.2001), abstract, figures,  1-20  See patent family annex.  * Special categories of cited documents:  "A" document defining the general stam of the art which is not considered to be of particular relevance.  "B" cartier application or passat published on or after the international filing date and to earthler application of the art which is not considered to the stabilish the publication date of another citation or other special ream (as specified)  "O" document which may throw doubts on priority claim(s) or which is cited to stabilish the publication date of another citation or other special ream (as specified)  "O" document published prior to the international filing date but later than the gedestic date claims.  "O" document referring to an oral disclosure, use, exhibition or other means document published prior to the international filing date but later than the gedestic date claims.  Date of the actual completion of the international search  To September 2003 (10.09.2003)  Name and mailing address of the ISA/US  Mail Stop PCT, Atm: (SA/US)  Commissioner for Patents  P. O. Box (1450)  Alexandria, Vignita 22313-1450				
See patent family armex.  Special categories of cited documents:  "A"  Special categories of cited documents:  "A"  Social categories of cited document is cannot be considered to involve an inventive step when the document is combination being obvicus to a percon killed in the art document is cannot be considered to involve an inventive step when the document is combinated with one or other such document is combined with one or other such document is combined with one or other such documents accombined with one or other such documents accombine				
Further documents are listed in the continuation of Box C.  See patent family annex.  Special excepties of cited documents:  "A" document defining the general state of the art which is not considered to be of particular relevance; the claimed invention cannot be considered now of the same patent family on the considered to the art which may throw doubt on priority claim() or which is cited to exacilish the publication date of another citation or other special reason (as specified)  "O" document referring to an oral disclosure, use, exhibition or other means document referring to an oral disclosure, use, exhibition or other means document referring to an oral disclosure, use, exhibition or other means document member of the same patent family  Date of the actual completion of the international filing date but later than the photology date claimed.  Date of the actual completion of the international search  10 September 2003 (10.09.2003)  Name and mailing address of the ISA/US  Mail Stop PCT, Aun: ISA/US  Commissioner for Retents  P.O. Box 1450  Alexandria, Virginia 22313-1450  See patent family annex.  "T"  Inter document published after the international filing date or priority date and not in centility with the application to the international filing date.  "X"  document of particular relevance; the claimed invention cannot be considered to involve an inventive step when the document is combination being obvious to a person skilled in the art document member of the same patent family  Authorized officer  JYOTHSNA A VENKAT  Telephone No. 703-308-1235			10.	
**Special extegories of cited documents:  "A" document defining the general state of the art which is not considered to be of particular relevance  "B" earlier application or patent published on or after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention date of another citation or other special reason (as specified)  "C" document which may throw doubts on priority claim(s) or which is cited to establish the publication date of another citation or other special reason (as specified)  "O" document referring to an oral disclosure, use, exhibition or other means  "P" document published prior to the international filing date but later than the priority date claimed.  Date of the actual completion of the international search  Date of the actual completion of the international search  10 September 2003 (10.09.2003)  Name and mailing address of the ISA/US  Mail Stop PCT, Atm: ISA/US  Commissioner for Patents  P.O. Box 1450  Alexandria, Virginia 22313-1450  *T"  Inter document published after the international filing date or priority date and not in conflict with the application but cited to understand the principle or theory underlying the invention cannot be considered novel or cannot be considered to involve an inventive as the principle or theory underlying the invention cannot be considered novel or cannot
